Dear Sir:

In response to the Office Action dated January 23, 2006 ("Office Action"), the following is provided:

**Application No.** : **10/627,942**  
**Filed** : **July 25, 2003**

**RESTRICTION ELECTION**

By this paper, Applicant elects without traverse the invention of Group I (Claims 1-6, 14-28 and 31-34) drawn to an electronic assembly, classified in class 361, subclass 788, per Page 2 of the Office Action. Applicant further elects without traverse the invention of sub-group 1 (Claims 1-6, 15-20, and 31-32) drawn to an electronic assembly, classified in class 361, subclass 788, per Page 2 of the Office Action Applicant herein cancels the remaining non-elected claims without prejudice. Applicant submits that all claims presented herein for examination (including new claims) read on the elected Group I, sub-group 1 invention.

Applicant notes that since Claims 31-32 are part of the elected Group I invention, yet not assigned to any sub-group, that these claims are presumed to be included within sub-group 1 since each claim is directed to an electronics assembly also.
